High School State Testing

This spring, juniors will once again be taking the Michigan Merit Exam (MME), which includes a college entrance exam (SAT), a career-readiness exam (WorkKeys), and Michigan science and social studies tests (M-STEP). On Tuesday, April 9, juniors will take the SAT plus essay. This is followed by the WorkKeys examination on Wednesday, April 10 and the M-STEP science and social studies tests on Thursday, April 11. The SAT and WorkKeys tests are taken in the traditional paper-pencil format. The M-STEP science and social studies tests are administered online.

Additionally, the Michigan Department of Education (MDE) expects that students in grades 9 and 10 will take the PSAT test on Tuesday, April 9. Students in grade 12 are expected to attend instructional field trips on Tuesday, April 9.

Testing students should report to school at the regular time on each testing date. Non-testing students should report as indicated in the chart below. All students will be released at the regular time.

Students are encouraged to utilize Khan Academy online resources to prepare for these assessments. Khan Academy offers free practice tests and individualized learning activities to prepare students for the SAT and PSAT tests. Additional information on testing can be found on the MDE website. The addresses for these websites are provided below.
